

Strathmore Funeral Directors and William Lyall Funeral Directors Funeral Costs

Direct Cremation

A Direct Cremation service is a low cost alternative to a traditional funeral service where there is no officiant or mourners present. No service will be held and only the funeral and crematorium staff will be in attendance. The funeral will be carried out to the same high standards, dignity and professionalism our staff provide at all funerals.

Included in this service

Making all arrangements for a cremation and providing professional advice. Bringing the deceased into our care (within a 25 mile radius) Care and preparation of the deceased. Provision of a simple coffin. Conveyance to the crematorium in a specialist funeral vehicle. Payment of Cremation fee. The day and time of the cremation are set by the crematorium. Our current cost for this is (depending on the crematorium chosen) **£1,379.00 to £1,420.00** (A charge of £50.00 may be added for the return of cremated remains)

Direct Burial

As with a direct cremation no officiant, family or friends can attend. There is no service prior to the interment. We attend to all the arrangements, transfers of the deceased, provide a simple coffin and provide a specialist funeral vehicle to convey the coffin to the cemetery or place of burial. Our current cost for a Direct Burial is **£900.00** plus the council cemetery charges which in Angus can vary from **£711.00 to £1,757.50**. This depends on if ground is already owned or new ground has to be purchased.

Simple Funeral (Cremation and Burial)

Our simple funeral is designed to allow families to have a fitting dignified funeral at an affordable cost that all family, friends and mourners can attend and includes the following. Making all the necessary arrangements. Professional advice. Bringing the deceased in to our care (within a 25 mile radius). Preparation of the deceased. Provision of a simple coffin and conveyance by hearse to a local crematorium or cemetery. Provision of all necessary staff. Payment on your behalf of necessary disbursements. Our current cost for providing this service is **£1,660.00** (plus disbursements)
